

HONOR OUR FATHERS

EXODUS | THE WAY FORWARD

EXODUS 20:12

Gleanings from Exodus for Father's Day

WHAT HONORING DAD CAN DO

1. Honoring our fathers humbles us individually.

- It is humbling to remember that we did not bring ourselves into this world, we are not self-existent.
- Humility and Gratitude are foundations to a long, full life!

WHAT HONORING DAD CAN DO

2. Honoring our fathers is good for our culture.

- The Home is the building block of a society, and parents are those who build it.
- Before there was ever a government, a school, or even a church, there was a home. It is the first building block of a society.
- Our society is suffering because our homes are unraveling.

“If the younger generations are constantly at war with older generations, the foundations of society will be destroyed.”

WHAT HONORING DAD CAN DO

3. Honoring our fathers is a way of honoring God and His commands.

- This command is carried forward into the New Testament as well.
- It is not limited by how young or old we are, or by what age we live in.
- Matthew 15:1-6, and Ephesians 6:1-4

SHOWING DAD HONOR

"This is not a popular doctrine in our modern world, where youth is worshipped, and old age dreaded or despised. The result is the folly by which men or women strive to remain eternally youthful, only to find it an impossible task."
